2023 GREEN WEDNESDAY YARD WASTE COLLECTION March 1st– December 6th

- All residents are required to use a City of Newark issued automated cart for all yard waste collection. The first cart is provided at no charge by the city; additional carts may be purchased by calling (302) 366-7000.
- If you do not yet have an automated yard waste cart, please call Public Works & Water Resources at (302) 366-7000 or email yardwastecart@newark.de.us to arrange for one to be delivered to you.
- All yard waste must be contained within the automated cart, with the lid closed.
- Yard waste outside the cart will not be collected.
- With the exception of weeks containing a holiday, yard waste is picked up every Wednesday, and only on Wednesdays. There are no special collections or bulk pick-up service for yard waste.
- If the amount of your yard waste exceeds one cart, you may use your automated *refuse* cart (not the recycle cart) as a second yard waste cart, with one provision: there must be a sign, with bold lettering stating **YARD WASTE**, taped on the side of the cart facing oncoming traffic. If there is no sign on the cart, the driver will assume it contains refuse, and will not empty it.

ABOUT YARD WASTE COLLECTION

The Delaware Department of Natural Resources and Environmental Control's permit for the Delaware Solid Waste Authority's landfill operation in Wilmington includes a ban on dumping all yard waste effective January 24, 2008.

Garden Debris (dirt-free)
Grass Clippings
Landscaping Trimmings
Leaves

What may I *not* put in my yard waste cart?

Christmas wreaths
Household plants

Please Note: If it doesn't grow in your yard, it doesn't go in the cart (no man-made material)! Contaminated carts will be subject to fines.
